Re: Russellville Hospital - Notice of Change of Ownership SHPDA ID 059-6530425

Dear Mr. Lambert:

This letter is submitted to the State Health Planning and Development Agency ("SHPDA") as an attachment to the Notice of Change of Ownership form being filed pursuant to Alabama Certificate of Need Rules and Regulations § 410-1-7-.04, et sec. The change of ownership is a sale of assets (including Northwest Home Health, which is owned by Russellville Hospital, LLC) from Russellville Hospital, LLC to Curae Health, Inc., which will simultaneously assign the assets to a wholly owned subsidiary, Russellville Hospital, Inc. The new owner will continue operating Russellville Hospital as an acute care rural hospital. There are currently no plans to increase the number of beds, purchase equipment or engage in construction. The effective date of the transaction is 12:01 a.m. January 1, 2015.

## SHPDA Change of Ownership Requirements

The following information is provided in response to the questions on page two of the Notice of Change of Ownership Form:

1.) Financial Scope of Project: There is no cost of equipment, construction and no change in yearly operating costs. The transaction is a change of ownership.

- 5.) Assets/Stock Acquisition: The assets of Russellville Hospital, LLC are being sold to Curae Health, Inc, which will simultaneously assign those assets to its wholly owned subsidiary Russellville Hospital, Inc.

A check in the amount of \$2,500.00 and a fully executed Notice of Change of Ownership Form is enclosed.

Please feel free to contact me with any questions you may have regarding the change of ownership.

Very truly yours,
