**Re: Project AL2010-195: Daniel Senior Living of Inverness I, LLC**

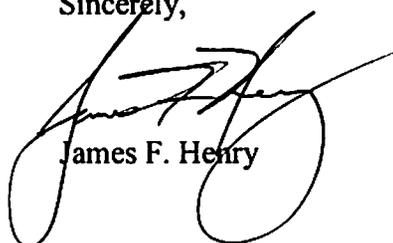

Dear Mr. Lambert:

On behalf of Daniel Senior Living of Inverness I, LLC and pursuant to Ala. Admin. Code r.410-1-10-.03, I hereby submit this application for a modification to the above-referenced Project. The State Health Planning and Development Agency issued a Certificate of Need in Project 2010-195 to Daniel Senior Living of Inverness I, LLC ("Danberry) to convert twenty-four (24) Assisted Living beds to Specialty Care Assisted Living beds at Danberry's facility in Shelby County. Danberry now wishes to change the holder of the Certificate of Need in this Project from Daniel Senior Living of Inverness I, LLC to LCS Danberry Operations, LLC, an LCS affiliate. Since its inception, LCS and its affiliated companies have managed and operated Danberry. There will be no change in the bed capacity or bed use associated with this Project, no increase in the cost of the Project, and no change in the institutional health services that will be provided in this Project.

Along with this project modification application, I enclose a filing fee of \$700.00, which is 35% of the filing fee for the original Certificate of Need.

Thank you for your consideration in this request.

Sincerely,

James F. Henry
