Dear Mr. Lambert:

Pursuant to the requirements of the conditions of participation and the regulations for the State of Alabama, please be advised that the above-referenced Hospice facility is relocating within its current approved service area. The lease is effective November 1, 2014. The agency will have access to the space to begin move in setup on approximately October 25.

The new location is: 715 6<sup>th</sup> Avenue SE  
Decatur, AL 35601

We originally submitted our notice of relocation on August 27, 2014 and due to complications with the location that was selected, had to rescind that notice on September 9, 2014. (copies of documentation are included. We extended our current lease to October 31, 2014 in order to find a new location. We would ask that you consider our previous notice of relocation and allow inclusion of that time for our 60-day notice requirement.

Please find enclosed our company check for the Letter of Non-reviewability fee.

We are currently preparing to submit our application for relocation to the AL Department of Public Health and Medicare certification updates as well.
