RE: Notice of Hospice Re-Alignment within current service area

Provider: AseraCare Hospice-Monroeville LLC d/b/a AseraCare Hospice Foley

Address: 708 W. Laurel Ave

Satellite of Provider No: 01-1567 License No: 10812

Dear Mr. Lambert:

Pursuant to the requirements of the conditions of participation and the regulations for the State of Alabama, please be advised of our intention to re-align the hospice services provided by our Monroeville, Foley and Mobile hospice locations. Currently Monroeville is the Parent/Primary site and Mobile and Foley operate as Medicare satellites of this provider.

Effective January 1, 2015 we will no longer maintain the physical Foley address referenced above. All patients, staff, and records will transition to the Mobile location which we will operate as the Parent/Primary site and we will continue to operate Monroeville as a Satellite of Mobile.

Please find enclosed our company check for the Letter of Non-reviewability fee.

Upon receipt of our Letter of Non-reviewability, we will submit notification to the AL Department of Public Health to eliminate the license at the Foley physical location and advise them of the re-alignment making Mobile the Primary with only the Monroeville location as a satellite. We will also be filing to update these changes to our Medicare certification as well.

Thank you for your assistance with this matter. If you have any questions or need any additional information, please contact me at 479-201-4840, or krista.elmore@goldenliving.com. Thank you for your assistance with this matter.

Respectfully Submitted,

Krista L. Elmore
