RELOCATION OF BRANCH HOME HEALTH AGENCY (effective 10/07/2015)
REVIEWABILITY DETERMINATION REQUEST

Dear Mr. Lambert:

Pursuant to SHPDA Rule 410-1-7-02, I am writing to request your determination that the relocation of the administrative offices of the *branch* home health agency referenced above to another site also within Barbour County, Alabama is not subject to Certificate of Need review.

Effective October 7, 2015 the provider intends to relocate its administrative offices of its branch location to the following address in the City of Eufaula, Alabama:

335 Macon Street, Suite B
Eufaula, AL 36027-1898

The relocation of the agency's branch administrative office will not include the addition or conversion of any beds, will not involve the acquisition of stock and the services to be offered from the new location will be the same as the services offered from the current location. The approximate distance between the two sites is less than one block.

The capital expenditure for the relocation project is expected to be less than \$25,000.00. In addition, there will be no changes in the staff, management and service area of the home health agency as a result of this relocation.

Please find enclosed a check in the amount of \$1,000.00 made payable to the Alabama State Health Planning and Development Agency for this reviewability determination.

Should you have any questions or if I may be of further assistance, please do not hesitate to contact me at (337) 233-1307, Ext. 210760.

Sincerely,

Jodi B. Bordelon
