RE: RV-2008-006

Deese and Maxey PC dba Rebound Rehab

Dear Ms Lambert,

Deese and Maxey PC dba Rebound Rehab is applying for a letter of non-reviewability in order to add occupational therapy (OT) and speech language pathology (ST) to its single-speciality physical therapy rehabilitation agency servicing Alabama counties.

Upon approval Rebound Rehab will provide needed therapy services primarily to seniors in their homes, in assisted living facilities and independent living facilities throughout Alabama cities and rural locals in compliance with applicable state and federal rules governing rehabilitation agencies.

This proposal will not result in the addition of any new health care facility beds, the offering of any new inpatient health services, or any capital expenditure or new operating costs in excess of the Certificate of Need thresholds.

The primary purpose of a rehabilitation agency is to improve or rehabilitate an injury or disability, and to tailor a rehabilitate program to meet the specific rehabilitation needs of each patient referred to the agency. A rehabilitation agency must provide, at a minimum, physical therapy or speech language pathology services to address those needs of the patient to comply with CoP's. Occupational therapy is an optional service and may be provided additionally.

Speech language therapy programs may include addressing decline in speech and swallowing dysfunction.

Rebound Rehab

Occupational therapy programs may include specifying adaptive equipment, addressing declines in activities of daily living such as cooking, bathing.

For seniors, therapy programs may prevent lifelong disability while restoring the highest level of independence possible allowing Alabama residents to age in place.

As required, I have attached a filing fee check in the amount of \$1000.00. I will be happy to answer any questions you may have and I look forward to your response.

Sincerely,

A handwritten signature in black ink that reads "Christy Deese, P.T." The signature is written in a cursive, flowing style.

Christy Deese PT
