Dear Mr. Williams:

We are filing this letter on Non-Reviewability for Mobile Infirmary Medical Center regarding the transfer of 17 psychiatric beds in our 34 bed psychiatric unit from exemption under Medicare PPS. The 17 beds will continue to be operated as inpatient psychiatric beds. Also the beds should not be removed from our CON authorized inpatient psychiatric bed capacity for the purposes of the state's inventory. This will not require any additional expense on the part of Mobile infirmary Medical Center. Nor is there any financial interest by any other health care facilities or groups.

"Affirmation of Requesting Party:

The undersigned, being first duly sworn, hereby make oath or affirm that Kerry Brown is manager of reimbursement with Infirmary Health System, has knowledge of the facts in this request, and to the best of his information, knowledge and believe, such facts are true and correct.
